With the coronavirus outbreak causing significant disruption throughout Indiana and the rest of the world, Indiana’s Cool North wants to provide guidance for any of your travel plans.

Restaurants, breweries, wineries, and retailers throughout Indiana’s Cool North area are providing delivery, carryout, and curbside pickup during the governor’s shelter in place directive and prohibition of in-person dining.

**Travel limitations**

As of March 25, 2020, the state of Indiana is under a “stay at home” order for all but essential travel and essential activities. Permitted activities include travel to and from work and visiting the grocery store, pharmacy, gas station, medical care facilities and activities such as trash pickup. [See this page for more information.](#)

**Events**

Many events have been cancelled for the coming months. Be sure to research the specific event before finalizing your plans.
